

Keep Prince William Beautiful Receives 2022 Best of Woodbridge Award

Woodbridge Award Program Honors the Achievement

Woodbridge, Virginia- October 18, 2022- Keep Prince William Beautiful has been selected for the 2022 Best of Woodbridge Award in the Non-Profit Organization category by the Woodbridge Award Program.

Each year, the Woodbridge Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Woodbridge area a great place to live, work and play. Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Woodbridge Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Woodbridge Award Program and data provided by third parties. Keep Prince William Beautiful works for a more beautiful Prince William County through litter removal and prevention, community beautification, and environmental education. The organization engages community members through outreach and education on environmental stewardship and sustainability, excites community members by developing within our friends and neighbors a sense of pride in their communities, and empowers community members to take action to keep Prince William County clean and beautiful.
